The information is evolved from print to digital information have a great Evolving developments in fully mechanisms of the college library organization predominantly the readers, services, facilities and the LIS professionals.

Keywords: College Library, Willingdon College, Sangli, Wdn Library, Evolving Developments, Digital Environment, Library Automation, OPAC, Digital Library.

Introduction:
The Role of college Library:

The College libraries in India have a significant role to play in higher education. Majority of the college libraries do not have appropriate modern facilities & services to meet the needs of users. Their collections are not up-to-date, budgets are their very inadequate and limited, and a large number of them are single. The Wdn college library is well equipped with evolving DIGITAL technology developments for doing modern practices and affords better facilities and services to the offline and online users of any corner of the World. The library has fully automated with barcode technology, smart barrow cards, OPAC on Web and mobile to cater better facilities of present desires of users. The objectives of this paper are to perceive the current status of Wdn library in evolving developments of DIGITAL environment and understand the future needs and plan of contemporary development.

Willingdon College, Sangli:

With this motto Shri.Vishnushastri Chiplunkar the greatest Marathi writer, with co-operation of his three colleagues

Shri. Bal Gangadhar Tilak, Shri. Gopal Ganesh Agarkar and Mahadeo Ballal Namjoshi opened The New English School in Pune on 1st January, 1880.In 1884 they formed themselves into a corporate body called "The Deccan Education Society" and in 1885 this Society founded, "The Fergusson College," at Pune. With a view to meet the growing demands for higher education in the Western Maharashtra and North Karnataka. The Deccan Education Society, Pune decided to constitute an Arts College in the year 1919. The Life Members of the Society approached the then Governor of Bombay State Lord Willingdon and with his sympathy and support secured recognition for the scheme for an establishment of a College in this region. To appreciate His Excellency Lord Willingdon's interest and help the society decided to name the college as "WILLINGDON COLLEGE".

Wdn College Library, Sangli:

The WDN Library has celebrating centenary Anniversary in the year 2018-2019. Sir Chintamanrao always regarded the college as his own and did everything for it. Shrimant Sir Gangadharrao Ganesh alias Balasaheb Patwardhan presented to the college a splendid collection of books along with cupboards consisting 4797 books**.** This was the foundation of the Library Department and in deference of Sir Gangadharrao Patwardhan's wishes this library has been named after his late wife, "Shrimant Saubhagyawati Umabaisaheb Patwardhan Library."

The library has big donated collection is near about 30000 consists of The Miraj , Sangli State library and HH Rajesaheb Chintamanrao Patwardhan personal collections. The library has subscribed 116 National and International journals and magazines, 12 newspapers and 6300 e-journals and 138500 e-books under N-List Program of INFLIBNET, Ahmedabad.
